Re: United States v. Cheedie, 19 CR 833 (SDNY)

Dear Judge Stein:

I am writing on behalf of defendant Derek Larkin to respectfully request a four week adjournment of the defendant's June 23, 2021 sentencing so that we may provide the Court with the details of Mr. Larkin's medical condition in both our sentencing submission and oral presentation as relevant pursuant to 18 U.S.C. § 3553(a). The government, by AUSA Kiersten Fletcher, has no objection to this application, and I am available any time on July 21 or 22 for Mr. Larkin's sentencing, the Court's calendar permitting. Should those dates be inconvenient for the Court, I am also available any time on August 4 or 5 for Mr. Larkin's sentencing.

As noted in our May 23 Letter, Mr. Larkin was recently diagnosed with a mass in his lungs and informed by his pulmonologist that he would require a follow-up scan to determine if the mass had increased in size and whether a biopsy or surgery were required. The attached correspondence with Mr. Larkin's doctor confirms that this second scan was to take place on or after July 5 – and he is presently scheduled for such shortly thereafter. See June 2, 2021 Letter of Dr. Nader Mahmood, attached hereto.

Thank you for the Court's consideration on this application; I remain available for a teleconference should Your Honor deem it necessary.

Respectfully submitted,

Jeffrey Lichtman
